“ The first time I laid eyes on the Tall dark and Handsome was at his brothers place. One of his long life friend married us the phonebook. I told him it doesn't work that way. I must admit with Randy Mackey Apparently it does hehe. Just 24 short years later and a nearly 17 year old son later, our love and bond amazingly only grew stronger and deeper than I could ever imagine. Thank you baby for being the greatest love of my life. We promised each other eternity . I will dream of our reunion in heaven. Thank you for making me apart of your world and family.I have no regrets after finally surrendering my heart to my Mountain man. I will forever be yours. Rest my love. Because when I get to you I'm gonna need my Dr.Mackey. To quote you "boyee" it's gonna be something.
