“ Kelly, I don't know you, but I knew your father and family when we were little kids. We were the Ferguson family of Alexis. We visited each others homes frequently and thought of them as family. We moved to Michigan in 1956 and lost touch, but the good memories remain. I send prayers to your family and trust that God will bring you comfort in this time of sadness.

“ To the family of Ronald Lewis
All of us at Circle Guest Ranch love and miss our dear friend "Runt".

We were very fortunate to have crossed paths with "Runt". We were truly honored and blessed to have had his friendship for many years. He could always make us laugh, he was so much fun to be around.

Even during his illness, he would take the time to ask, how everyone was and how we had been doing. He would always ask "How's my buddy Frog doing." (Frog has been fighting lung cancer for about 3 years)

We have missed "Runt" this year, we were used to having his trailer down in "HIS" spot.

In the coming days, may God watch over you, bless you, and comfort you as only he knows how. You are in our thoughts and prayers. Mike and Linda Newman
