“ Todd Cromer was one of the best men I've ever had the privilege of knowing. He was very compassionate and had such a huge heart. He is missed dearly a decade later.

“ Such sad news to hear about Todd. I don't know why we did not hear about it at the time of his death. Sorry we were not there for the Family. Had we known about it we would have been. Todd was such a sweet kid. I know he will be missed by many. All of the family will be in our prayers. I have such fond memories of Todd as a happy & laughing baby! “ Todd was a lot younger than the rest of my half brothers and sisters, but I know that he will be missed by us all. I never was able to get to know him like I wished I could. May God Bless all of his family and prayers to you all.
