“ *Hello, my name is Linda but always to my Aunt Allie, I am Linny. I've always recall seeing a smile on her face and laughter in her voice. I remember staying with her and Uncle Doug when I was little and playing with my younger cousin, Dougie. She is such a giving person and she will be truly missed in my life. But I know she has gone on to a better place with no pain or struggles. She's with her Mom and Dad and having a good ole time with my Mama. I Love You Aunt Allie.*

“ I met Alice through her niece Toni Collins Hunter. Alice was always full of laughter and a pleasure to be around. She was a super sweet lady and cared for everyone. She loved the lord with all her heart. She will be missed in body but her spirit will remain in every heart of all who knew her.
