“ *I'm just finding out about Amy. I had no idea she was so close. I know where she is. I'm sorry she was the sweetest friend, loving and kind. My husband wouldn't let me drive to see her and that part won't go away. She shared so much about her life and God and I'm so thankful and will cherish every moment. She even shared her kids. Her love for others was so special. I will see you soon my sweet friend. I'm sorry I couldn't take your place.* ”
