“ As I sit here and think about the life of Ms. Rae Ingram I remember her skills and talents but mostly I remember the love of she had for her family. I have been so inspired by her family over the passed 11 years. They have been attentive and loving for as long as I have known them, but this passed year they have shown so much love and devotion to their precious Mom. Her children were truly a blessing to their Mother. I wish that every Mother had children who were as loving and caring as these fine folks. God bless you all and may you feel the peace that only God can bring (John 14:27)

I was so sorry to hear about Ms. Rae...she was a one of a kind lady. I enjoyed her jokes and her "mischievous" smile.
