“ Aunt Nancy I want to thank you for accepting me into your life. Thank you for being so loving to my children. Thank you for always setting a Godly example for others to follow. We may not remember everything people have said to us, but we sure remember how they made us feel. You always had a warm welcome for me and my daughters and good food on the table. Thank you for your encouragement when I was having a bad time. You kept my daughters for me when I had surgery. Thank you for being who you are, and I am privileged to have known you. Rest in Peace forever and ever. You will be missed. Soar with the Angels Aunt Nancy.
