“ Art was always full of fun and joking. Loved playing cards with him and the family have had so many good times when they came to Michigan. Always showed Vicky that he loved her and loved to tease her. He told you straight up what he thought even if you didn't want to hear it, but that was what I loved about him. So many memories some we will keep and done to share Art is so much missed even though we did not see each other all the time you just picked up where we all left off. His faith was strong and I know he is in heaven helping the Lord do his deeds. God bless you Art and your family truly missed by Randy Debbie Emma and Gary DesJardins
