“ *AUNT Barbara was always there. She was my MEAN OLD AUNT BARBARA when I was a child. But I loved her so much. She was always so sweet and wanting to help. I knew she was always there if I had a question about anything about my flowers or life. Aunt Barbara was for me more like my Grandmother and I will miss her dearly.*

“ *Barbara Harper was one of the sweetest people I have ever known. She was always cheerful and kind and always thinking of others before herself. She was an important part of our family since 1993 and we all loved her dearly. She leaves a void in our hearts and lives. She will be missed.*

*Precious Barbara Harper  
She was my first friend when I moved to Centre 21 years ago  
She won a place in my heart really fast.  
Met her on Friday , Saturday morning she had me in a pea patch ,  
soaking wet to the knees, in the mud, but we had a blast together. She  
taught me all about canning & flowers. We travelled many miles & had  
wonderful times that I'll never forget. I love her dearly and will miss her  
so much.*
