“ A beautiful heart stopped beating on this earth and heaven became a more beautiful place when God called Barbara to heaven to be embraced in her mama and daddy's loving arms once again and never to be apart again. One only had to meet her to see the beauty in life and in love. She leaves her family and friends with a beautiful painting of unconditional love and precious memories that will be with us all until everybody is reunited in heaven where she holds a piece of our heart. Run and play with your furbaby sweet Barbara because I know that you've been missing your baby and eagerly waited to be reunited .
