“ Barry was a cousin to my late husband Billy Brooks. Billy's Mother was a Cochran. I met Barry when my son Dominic DeMaggio & I moved to Centre.

Barry was a very caring man, & always had time for us to visit with him.

He was very well loved by all of his Cousins & everyone who knew him.

Barry will be missed. He was a friend as well as a "Cousin" to me. May God give his wife, son & Family comfort in their loss, knowing they will see him again some Glorious & Wonderful day!

God Bless each of you is our prayer.

Lovingly,

Elaine Callaway (Brooks) Singleton & Family.

“ Barry and I worked together for over 20 years, first at the old Cherokee Hospital, then at the Baptist Cherokee Medical Center. When he achieved the position of CEO, he became my boss. He was a great leader and always looked after his employees. He was also a dear friend. He demonstrated benevolent behavior that few people knew about, always wanting no recognition. He will be missed by his family and many friends.
