“ There are no words to adequately express the sympathy and pain that is being felt by Belinda’s family, friends and lives of others that she touched in her short 58 years of life on this earth. I have countless childhood memories of Belinda – laughs, squabbles, school projects and some things that are better left unsaid. I could always count on her smile and calm demeanor to shed a positive light on any situation.

I pray that Eugene, children and grandchildren finds comfort in knowing that they will see her beautiful face some day . . . oh what unspeakable joy! I pray that comfort is found in the fact that her body is anew! Belinda is dancing on the streets of gold and reunited with loved ones that have gone before. How beautiful is that?

Although it is difficult to see beyond the unbearable pain and deep sorrow that is being felt today, looking backing on fond and loving memories will help comfort your tomorrows! The earthly loss of someone leaves a heartache no one can heal, only LOVE leaves a memory that no one can steal.

*Thinking and praying for each of you during this most difficult time,
