“ I got to know this kind and funny soul by having the pleasure of taking care of "Paw". He will be greatly missed but knowing he is in a better place is comforting. May God wrap his loving arms around each of you during this difficult time and the days ahead. Paw will be greatly missed and know that he left footprints on our hearts. Rest in Peace Paw. Goodbyes are not forever, goodbyes are not the end, it simply means I'll miss you until we meet again. The hardest part of losing someone isn't saying goodbye, but rather learning to live without them, always trying to fill the void, the emptiness that's left inside your heart when they go. Those we love never really go away, they walk beside us everyday, unseen and unheard , but always near. Still loved, still missed and very dear. I thought of you today with love. But that is nothing new. I thought of you yesterday and the days before that too. I think of you in silence and often speak your name. All I have are memories and your picture in a frame. Your memory is my keepsake in which I will never part. God has you in his keeping and I will always have you in my heart. When someone you love becomes a memory, that memory becomes a treasure.
