“ I have so many memories of Bertie Lewis! She was an exceptional human being.

To her family, I would like to extend my condolences and prayers. Memories of Bertie and her family are precious , starting when I was a young teen. Her daughters are my friends and I can remember from an early age spending time with them and Mrs. Bertie. I was welcomed into their home anytime. Remembering those times bring tears to my eyes. Everyone who knew Bertie adored her. She always had a positive attitude and outlook. She was widowed at an early age, with 3 daughters to raise. Bertie never let these circumstances affect her positive attitude and outlook on life. She was a hard worker and a great homemaker. She was a fantastic cook and decorator. The Lewis home was one of abundant love. Beautifully decorated, it was always spotless and anyone visiting felt welcomed and loved. I spent many nights with the family and loved every moment I was there. I was always grateful for being a part of this family. I don't remember Bertie ever complaining even though she faced hardship and the task of raising her daughters alone. She was loved and admired by all who knew her. Bertie was a gift and a blessing to me. She was one of the most amazing people and one felt blessed to be part of her life. She had a long and productive life, raising her daughters to be successful and to have a lot of the characteristics she possessed. Bertie's life was about goodness and and love. She was simply the best!

“ Regina, Betty and Deborah, my heart breaks for you girls. Your mother was the sweetest, most beautiful and graceful southern lady I have ever known. We loved her so much and always loved seeing her at Walmart or the grocery store. She was the funnest, most warmhearted lady and loved BIG! You will all be in my thoughts and prayers. I wish so much I could be with you sweet ladies tomorrow but I will not be able to come to Centre. I love you girls dearly.
