“ My fondest memory was when we visited you at the St. Lawrence river... even though I got bit by an eel. You are loved and missed and will be in our prayers.

“ There is so much to say about this great woman. B. J. was a lady with a style & grace all her own. She was a strong, independent, & caring Christian woman. There wasnâ€™t anything that she wouldnâ€™t, or couldnâ€™t do once she put her mind to it. She was a wonderful asset to her community and had a great love for God and country. B.J. was a woman with a gentle touch to everyone that had the privilege to know her. She had a way of knowing when you needed help and would always be there with kind word or to lend a hand of service no matter how big or small the need; and even though through the years we didnâ€™t always see eye-to-eye on things, B.J. always understood me and respected me for the person I am. Who was this woman to me? She was my mother-in-law and even though I know she is in a better place now, I will miss her and the wonderful blackberry cobblers she always made when we came to visit. I love you B.J.

“ I am so sorry about BJ. She was a wonderful woman and will be missed by many! But, I know that Jesus and all the angels are rejoicing! And she will get a new body that won't be in any pain! Plus, you'll get to see her again one day!
