“ I had the privilege to care for Miss Betty during my time working at the group homes. Miss Betty always wore a smile and was loved dearly. Every time she would say good bye she would say see you in the funny papers and even after leaving the group home I could still hear her say those words and it still makes me smile. To the family ,I want you to know how much of blessing Miss Betty was to my self and others and that you are in my thoughts and prayers.

“ Betty was a sweet & gentle soul. She was always happy & wanting to show me her embroidery projects that she was constantly working on! She would always greet me at the front door & invite me in, wanting me to sit & visit with her when I stopped by to see her & her precious Mother, Ms. Lois.
I know she missed her Mama after she passed. there had just been the two of them for many years. God Bless you sweet Betty.
May God comfort the Family & give you peace.

Lovingly,
Elaine Callaway Brooks
