“ Betty Jo was in my sister's class in high school. She was one of the Golden Club Members that I loved to photograph, the smile says it all. She always had one ready and willing to share. I will miss her dearly, but, I feel certain she is smiling down on us with that warm smile saying you all enjoy. Love you Betty Jo Your friend Joan Beaird

“ Aunt Betty Jo is what I called her. I grew up on Park Street with her and at the cabin. We used to eat deli ham from Mr. Day's. She would just let me eat it straight out of the pack. She was a dear friend to my family and I will never forget her. Beautiful, precious soul.
