“ *Heavens Greatest Angel Heavens Greatest Angel made it home at last. While the loved ones left behind remember her past. She smiles and says don't cry, I'm free, for nothing else will ever hurt me. Even though this day brings great sorrow to all, Nan's in her glory playing bingo and having a ball. Her sons anxiously awaited her at the pearly gates, with this known, she could hardly wait to receive her wings and stroll along singing and saying this is the place I belong. Yes, theirs much to be said about Nan, our rock, oh how she loved to shop and cook and wear wild socks. Lets not forget how much she loved to cuss and fuss, or how much she loved and cared for all of us. Words can not explain the joy she brought too everyone around, that's why she's Heavens Greatest Angel, The one who's smiling down.
