“ My heart goes out to the entire Tubolino family on the passing of Ms. Betty, I pray the Lord will ease the great pain you feel and bring peace to your hearts as he has you all at his attention and loving care. Until we all meet at the grand reunion in heaven I pray your sweet time on earth together will be remembered and comfort you, until we all meet face to face again in land even more kind than home.

“ I'm so sorry for your loss, but she lives on in our hearts and will never be forgotten. I look forward to the day we will all be together in heaven, with all of our family and friends, that are now healed and free from all sickness that these earthly bodies had to endure. I pray for you all to have the strength and peace that only the Lord can give you, to help you through this time in your lives. Love,
