“ *As a farmer, I got to know Billy Joe at the farm office. He seemed to always be in a good mood and happy to help. I am now on the farm committee, but was not there before Billy Joe retired, but my dad was on the committee when Billy Joe was working. Dad really thought a lot of Billy Joe, and now they can have a reunion, since dad passed away in 2015. My prayers are with you in this sad time.*

*I'm so sad to hear the news of Joey passing away. I'm also sad that we lost touch over the years. I have so many wonderful memories of the times we played music together. He was so quick witted and fun. Rest in peace my sweet friend, you'll never be forgotten. Love and prayers to Jan and family.*

“ Billy Joe was a good friend of my daddy, Danny Crawford. As a result, he also became a good friend of mine. I loved him so very much and already do miss the mess out of him. I do thank God for the gift of having had him in my life, and thank God even more that through BJ's, and my own shared faith In Christ, I know that I will see my good buddy, Billy Joe again one sweet sweet day and be able to spend eternity arm-in-arm with BJ, singing praises to Jesus!!! But until that Heavenly day, I'm going to miss the Hell outta my BJ!
