I worked in Christy Stansell's class for years with Joe and Sybil. I felt like I knew the whole family. You were always a topic of his conversations. I thought the world of Joe.

“ Having a good man like Joe to call my friend was/is certainly a blessing. I loved him like the family he always has been to me. It is with sadness in my heart that I post this comment, but it helps just knowing that Joe is safely and comfortably resting now. My condolences to the family and friends of this fine man. Love to you all !
