“ I met Bobbie in 1979 at old Centre Hospital. She took me under her wing as a nursing student. I got the opportunity to care for her at Cherokee Village. I've loved her from day one. She was the best. R.I. P my friend.

“ *Bobbie will always be special to me for several reasons, but the one that stands out above all others is ... she sponsored me for a life changing Emmaus Walk. I will be ETERNALLY grateful for that act of love and grace. Thank you, Bobbie, I can just imagine you dancing down those streets of gold right now as I shed a tear of sadness for your loss and for your sweet family. May God Bless and provide peace and strength.*
