“ Don't know where to begin an maybe too many to list th times I spent time with Uncle Tom and Ant Brenda. Could never come to Alabama with out stopping by there house and almost always she had something to eat or would prepare something. Made th best fried okra I ever put in my mouth (even better than Mons) but I would not tell Mom haha. I remimber when we ALL lived in that big old house in Center. Love You and will see You ant Brenda soon for that grand old family reunion on the other side with all those gone on before
