“ Carol was my big sister. When I was young, I remember thinking how smart and pretty she was. If I had a question about anything, she always seemed to know the right answer. She was a great cook and she always tried to give me tips to help me improve my cooking skills. She always spoiled us when we visited by making biscuits and gravy and chocolate pecan pie along with many other delicious dishes. I have so many wonderful memories of times spent with her over the years. I will miss her and love her forever. She had a strong faith and I know she is at peace now in heaven.
