“ *I have known Darrell for about 10 years. He was a wonderful person with a beautiful heart and spirit. I believe he never met a person that didn't become a friend. He had a way of drawing you in with his warm personality and humor. I am blessed to have known him and thankful to call him a friend. Heaven gained a glorious angel. He will truly be missed.*

“ *Such a tragic loss. Darrell was one of the good ones. Always there with a smile and a helping hand. We worked as a team, but loved each other as family, and so now it feels like the loss of a brother. Rest in peace, good sir. I will see you on the other side, surely. All my love and best to Mike and the rest of the Moses family.*

“ I spent many hours at the Cube the last 10 years working with Darrell. He had a forward lean and walked fast, always on the go getting the mission done. He could handle practically any problem and his personality and work ethic were amazing. I became very fond of him and always looked forward to seeing him when I went to the Cube.

Rest in eternal peace, my friend. I will miss you.
