“ Bro Charles was a great preacher ..a man who always made you feel welcome and when he preached you knew you had been to church.

“ Sister Patty I am so grieved at finding out about the home going of Brother Charles. He was a great man of God I loved so very much when we were all in the church of God together and then in revivals together at Sis. Pat's church and of course at the Piedmont Campmeeting. My prayers are with you and that the Holy Ghost will undergird you with HIS power and presence. Our loss is heaven's gain but he is home that he preached about so many time. I am so sorry I did not know it until today or I would of been there.

“ Well, this goes back many years ago when he would go preach in Tennessee or somewhere far off. He would always want Stanley Nancy And Kathy go sing and I played bass guitar I'm thinking Patty played piano, anyway he would be scared so he would get them to come sing so he wasn't by himself. So he had preached this certain night and we went up to Tennessee for them to sing and on the way back he was driving and Nancy was sitting up front I was in the back seat. We were coming down interstate 75 and he looked up and I saw this car coming head on to us and he said me and Nancy was apologising and and praying cause we thought we were going to be killed but thank God he was paying attention to the road. I love you Charlie and so glad we met on this earth because you were the funniest man back then and you kept us laughing all the time.
Gonna miss you
