“ Sam & Nadean were both good friends. When I did not have a way to get to work back in the 70's Nadean would give me a ride. Then much later in the 2004's Sam & I would take turns driving to Gadsden, AL. to the same Allergy Doctor. Riding together was a savings in gas, plus gave us a chance to visit on the way there & back. We lost touch when I took a job working for the Military & they sent me out of state & traveling so much. When my sweet Mama died in 2013, Sam came by to offer his condolences. He had not forgotten our friendship. He was an honorable man & a good friend. There aren't many men left with a kind heart & true friendship in this world. I will miss him. I did not know of his passing until too late to attend his services. May God give comfort to his Family. I know you can take comfort in knowing you will see him & Nadean again some glorious day! God Bless each of you.
