“ Rochester Family, Jackie and I are so sorry for your loss. I always enjoyed talking to Belinda at the grandkids ball games. You knew her family came first when you talked to her. I know she will be greatly missed, she loved taking care of her family.

“ Herman and family, Sam and I are so sorry to hear about Belinda. She was always so concerned about Seth when he was in my first grade class. I was glad I got to know her. She loved her family so much. It just seems like it was yesterday we were coming to see your home you and Belinda built. She gave us a grand tour! She was a very special person. Love to your family.

“ Belinda was so smart, kind, funny and generous. I have always thought the world of her. She was a great story teller and showed such strength through many trials that came her way. She seemed to find the bright side of so many tough situations over the years. It was truly nice to spend time with her.
