“ He was always there when I needed him and I loved him truly. I think about him and his sweet parents all the time. These pictures were taken Halloween 2020. Chris was there for me through my whole pregnancy with Isaac, who I delivered one week after these pictures. He bought his crib for us and so many other things we needed. We had a lot of good times together.

“ The world has lost a great man and I have lost a great friend. I'm so sorry to his family for their loss. He spoke so often about his wonderful family and they were most important in his life. You are in my prayers. I lost my son the same way 9 yes ago so I know your pain. I love Chris and will miss him forever
