“ *Diane and Angie I remember when I was about five, we came down to spend some time in Florida. You guys had a grassy ditch out front that filled up with water after a big rain. The water was clear, so the folks put the whole gang of yardbirds in it to play. I remember that trip well. It's when I got to know most of the Gladdens. And it's a pleasant memory from my childhood. May God bless you guys. And may God bless Uncle Biggun's soul. As well as Aunt Ruby and Randy.*
