“ *My heart is still aching for your family over the loss of Craig. He was so kind hearted and had such a sweet and gentle spirit. My sister Krystn was so blessed by their friendship. I always enjoyed chatting with Craig whenever I would come to visit Krystn and it was such a delight to sit with him when I would have lunch at BGV. I'm sure the angels are rejoicing that he is home with Jesus. Our prayers are with your family*

The pleasure of knowing Craig was wonderful, he was such an amazing gentleman. One of the fondest memories I remember was he always spoke about going to the Rodeo. He loved the horses and ask me to show him the video so he can see was upcoming in the Rodeo. He was a big fan of the antique cars we would talk about it. Craig was my friend, he will be truly missed he touched so many hearts.

“ I had the pleasure of knowing Craig for the last 8 years. He was such a kind, gentle, caring man. He was shy, but once he warmed up to you he would always love to joke around and make you laugh. He loved animals and would always tell me about the animals he saw that day, often the ducks. My prayers go out to Ann and the rest of the family, as well as all of Craig's friends. We will miss you!
