“ *Craig's Family, Brad and Friends: Saddened to hear of Bro Craig's passing . I thought a lot of him over the years since I became acquainted with him and Brad and their father (Jerry). They furnished building materials for my apartment, sheds and buildings. He and his family always treated me with much respect and honesty over the years in my dealing with him and his family.. I saw and talked to him a couple of weeks ago and as usual , we talked about cows, hay and farming. But he and I always had something good to say about the Lord and his blessings to each of us.. I will miss his smile and what can I help you with today Mr Rakestraw . May God bless and comfort his family in the days ahead and also to Brad ...

“ *I can remember when Craig had to step in and play QB for Keith. He really earned my dad Coach Bobby Joes respect for being able to take over that role and play with all his heart and ability. He was a winner in all our hearts and will always be remembered for being a man of courage and respect. Legacy for sure!*
