“ Words can't express how Darlene will be missed, knowing her over the last 45 years, not just a friend in the beginning but a sister-in-law with a servants heart. She loved to sing, and did so well with an Angels voice. There was nothing that she wouldn't do for anyone. Even when she didn't feel well, she was there when you needed her. I've seen her fight the good fight up until the end. Her hearts desire was to see her children and grand-children grow up and do the best they could. Darlene was the type of person you could talk to whatever the problem was, she would pray for that person and not think of any less of that person. She will be deeply missed. I know she is in Heaven, singing with GOD's choir. Rest in peace Darlene..

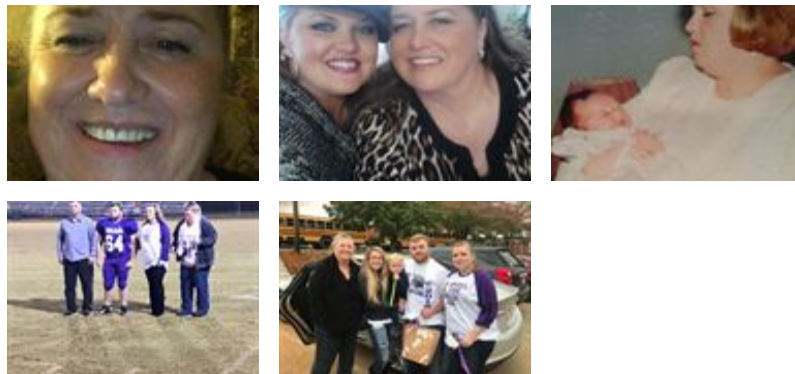

Love your Brother-in-Law

“ *Sister Darelene was by far one of the sweetest , most helpful person I've had the pleasure of knowing. She unselfishly helped serve at my son's wedding , which I never felt I said thank you enough to her for all she did . She has left her fingerprints everywhere but most especially on our hearts. She loved to sing ' This is just what heaven means to me "*

Sister Darlene has made it home .

I know she's singing and running the streets of gold ...

Our thoughts and prayers are with the family

Love from us all at The Upper Room Temple and the Bates Family !!
