“ Sorry I didn't see the passing notice and funeral arrangements in time. I served with Dave in the Army for years. He is one of the most dedicated, capable and honorable Officers I have ever had the privilege of serving with. I wish there were more like him serving and defending our country today. I look forward to serving again with him in our Heavenly Army under the Ultimate Commander and Chief, Jesus Christ. See you soon Brother in Arms

I have so many memories of the years we spent together in the army you will be missed and I know you're in heaven right now dancing and listening to Jesus. Someday I will see you soon.
