“ Judy and Family, I'm so sorry for your lost. David was one of a kind. I will remember all the times of fishing with him and Tony. He took us to the backwater one time and we stayed all day, i was so mad at him, there was no water to drink and i had to get some out of a messy creek. Remember all the good times. He though it was funny, i did not. Remember all the good times family.
