“ My thoughts are with your family. I am sorry for the loss of your loved one. I hope the words from the bible will comfort you. God said in Daniel 12:13 You Daniel will rest and will stand up for your lot at the end of the days. This was a wonderful hope for Daniel and will be for your family to. I hope this will comfort you at this difficult time.

“ Dear Family, please know that I am very sad to learn of David's passing. He was such a great friend for many years. We lived across the street from him and his family on Roosevelt Ave. and I remember many Sunday and Wednesday nights that we would go to Margaret and Forrest's house after church and carry on with the singing from church. It has been a while since I have seen him(didn't make it to South Gadsden reunion last year...wish I had now) was looking forward to possibly seeing some of the "old friends" from our past. You all will be in my prayers. So sorry for your loss. Kathy Wise Webb
