“ I taught Debbie in middle school and remember her fondly. As the oldest child in the family, she served as interpreter for her deaf parents. So sorry to hear of this tragic loss. My sympathy to the family.

“ A tragedy of this magnitude leaves one not only heartbroken, but bewildered to the fact of, why? It is not ours to judge, contemplate, or question the final outcome of our journey here on earth. It is a time for all to support one another & cherish the fond memories. May the good Lord be with you in this time of hardship.
