“ *Debbie was a beautiful young girl, I have many fond memories of playing and having fun with Debbie when we were growing up. We drifted apart as we grew older and had families of our own, but I still have a tender spot in my heart for her, I enjoyed viewing the pictures of Debbie and her family. I see family resemblances in her sons and daughter and even Debbie in a Christmas photo looks like our aunt Reecy. (not sure she would like for me to say that). . My convalescences and prayers for Debbie's, sisters, children and grandchildren. I'm Debbie's first cousin (her dad Bobby was my uncle. - my dad (Gene) brother..*

Debbie is my sister. I remember her as being a good sister who always wanted to take care of us and others' and never asked for anything in return. I love her and I miss her so much. I will always remember how she loved her son Shannon and devoted her life to caring for him. Debbie had a special place in her heart for all her children and grandchildren but always Shannon in the center.

I know she will watch over him.

Debbie will always be "In our hearts forever"

and she is missed so much. I am blessed to have had her as my sister...

We have some peace in knowing she is with Mama/Gran now...her brothers' and our Dad.

*Always,
Darlene, Jack & Jake*
