“ It is July 17...I just found out about Deborah. I cannot say how sorry I am for your loss. Every time we talked we were going to get together and we were never able to make it happen. I cannot say how upset I am that it never happened. I loved Deborah. We go way back to Junior High school. So many precious memories with her. She was a grand ole gal and a super dear friend. When I moved to Centre I found her. We talked about 3 times on the phone. Oh why didn't I just go visit her!!! I'm so sorry. Praise God she has seen Jesus !!
