“ I was fortunate enough to have “Daney” in my life for many, many years. She became “Daney as a pet name given to her by her father. She was petite and dainty as a child, so he called her Dainty, and it evolved into Daney. So many memories with her, she was a unit secretary at the Baptist Cherokee. Then her brother became my husband and Daney and I became very close. We had good memories. She could clean a house better than anyone, the entire house felt clean. She had a great love for all who were near to her. I saw her care for patients for many years. She loved caring for patients and could float to Labor and delivery, Alcohol and Drug unit, ER, and help with patients. She always came to my request if I ever needed her. Her personality was not like anyone I had ever been around. Loved her and she will be missed!

“ I'm so sorry to hear of her passing. We worked at the old hospital late 79-80's.. She was such a caring loving caregiver. We all worked together as one big family. Just the sparkle of her eyes and that smile made our days at work more enjoyable.. RIP sweet friend.. Until we meet again 😊😊

“ Tim, i had no idea Dana was ur mom. The Forney Morgans grew up with her and Felton. Hung out, played kick the can till we got hollered at to come in. They were abt our closest neighbors. Shockeroo. Randy and i would be at the funeral , except he had a 2pm eye Dr apmt n Atl. Would have loved to c ur mom again. Hopefully, its gonna b a wait but a great reunion. Margie and Tressie were our buds too, but Dana and Felton were really special to us. U come from a tough bloodline! I bet Margie will sing. Hope u tape it.

“ There are no words to describe Delores "Dana" Jones except good ones. I love this woman with all my heart. She was one of the good ones and there are very few like her left. She was honest, you always knew where you stood with Dana and always knew she had your back. I am so blessed to have had Dana in my life and honored to know she was my sister by heart I'm gonna miss her. Donna and Tim you are in my heart and prayers. I'm always near if you need me

“ *Delores and I have been friends since before grammar school. She was such a fun loving person. You could not be around her and not laugh. I visited her and her Mother often before Alline passed away. We would also get together for an evening of reminiscing and laughs with her brother Felton. We always had a fun time. Now she is with her Mom and Dad and her brother whom she was always close to. I loved them both so much. Prayers for this beautiful family.*
