“ We went to high school together Dennis and Mike Kessler were like brothers to me. As so as many people I moved away loss touch. I often wonder how he was. Dennis was truly a good guy he always took up for me if a guy was bothering me. He say that's my sister man go on now before I have to call her other brothers. We would hang out in Big E shopping center listening to the radio and talking cause that's where we all gathered. Such precious memories. Rest easy my brother Dennis till we meet again.
