“*Brad, I will miss you dearly. Whenever we were able to see each other throughout the years, the way you hugged and talked was as if we were around each other every day. I will never forget the day you showed up with Kathy and 2 of your boys on my front step. Talking and laughing with you while we shared stories of pop, nanny, uncle dink and daddy will be a memory that I will cherish forever. And I will hold onto your parental advice and try my best to follow it. Seeing your pictures in the family album may bring tears now, but I'm so glad I can say that I got to know you. We love you Brad.*
