*I am so very sorry for your loss. I am sure going to miss my friend and neighbor(of 26 years), I loved her dearly, we sure have been in some messes together, but we always helped each other out, when she was able. I will forever have her in my heart.. and will miss her tremendously. My love to you all!*

“ Aunt Devell will always be my little firecracker! Her spunkiness always made me smile. Her and Granddaddy were two peas in a pod and I loved them both with all my heart! She will be greatly missed! She's with her parents, her big brother, and sisters. 😭
