“ I was so shocked and so sad to hear about Doris. She was such a kind and wonderful person. I loved her personalty, she was so much fun. In five mins or less she could have you laughing. She always hugged you and said hello sweetheart.

She also worked like a trojan at McDonalds. I never say it so clean as when Doris cleaned!

I am sorry that I did not know how sick she was. I wish for all her family a peaceful resolve. This young lady will be missed. We seemed like friends for years but it was a short time, way too short. We miss you so very much. Rest In Peace my sweet friend.
