“ Mark and Mike, I am going to miss her! When I started my current job in 1999, she was always the sweetest...I loved her instantly. I didnt get to see her often in the last few years but she was always in my prayers. I love my sweet neighbors and friends! You all are always prayed for!

Ann Baker Flynt was my aunt, a sister to my mother, Nina Jo Baked Reed. She loved her family and was always doing for others. She was an extremely good to her children and family. Aunt Ann was known for her baking and was always baking for someone. She had a strong faith and attended Centre FUMC regularly unless she was sick. Aunt Ann was beautiful, inside and out. She was so generous with her time and money but always remained humble. I love her and will always remember the person who always had a smile! Rest easy, you have earned your home in heaven!
