“ *Our thoughts are with the McDougal family. In Matthew 5:4 Jesus said Happy are those who mourn since they will be comforted.*

“ *Just last week I was thinking about Mr. Doug and wondering how he was doing. The memories of him and my dad "finding" each other at the Centre Nursing home were so sweet. That was the first thing my dad told me about when I got there that day. He was so thrilled to get to talk with him. My dad always loved the chance to visit with your family! I remember him talking so fondly of Mr. Doug my whole life. You will miss him, and for that I am so sorry. But I pray that you will find comfort in the precious memories you made with him. May God bless you and keep you, and give you comfort and peace as you go through these days of loneliness without his physical presence in your lives. Love, Towana (Erwin) Fuqua*
