“ I am Judy's neice that grew up across the road from her. I can remember playing with Stacey and Stephanie when I would come to your house with Cindy and Connie. I just wanted to let you know I am sorry to hear about your Mother. What I remember most about her is that I always thought she was so pretty! I know that she had been sick for a long time and just remember that she is not sick anymore. Love to you all. Kimberly Steed Tucker
