“ Every time I would see Nathaniel he always had a smile on his face. When I was a little girl he would always love me up and pick at me. I always enjoyed Brookshire reunions and Reaid reunions. There was always guitar playing. His favorite saying was that he was so good looking that God had to humble him by taking his hair. He was a good loving man. When God made Nathaniel he broke the mold. I will surely miss him until we meet again.
