“ My sweetest memory of Jane was the Easter that her and Hugh took me to an Easter Egg hunt at their church. At that time they didn't have any children so they took me and bought me my Easter clothes. I often look at the pictures that Jane gave me of that day and I will forever cherish them. She was a very special person to me. I loved her so much and my heart is broken but I know that God has her with him and she is in a much better place. I will keep the family in my prayers.
