“ Faye Brown was and still is a Light 🕯️ in my life. From the first day I met her on September 7th 2009. She was traing me for a job which I had started 9 days after finishing my last treatment of Radiation. She was a person God put in my life to become one of my best friends. Faye was a very loving , sweet, caring , kind, giving person. She had a very soft spoken voice that as soon as you heard it you knew she was a nice person. I feel Faye was one of God's sweet Angels he put here on our earth. I know others know too that she was a light.

Love Katrina
